

INTERKULTURELLE
WOCHEN

A stylized graphic of an eye. The eye's outline is a thick, magenta line. Inside the eye is a circular wheel divided into seven segments of different colors: light blue, green, cyan, yellow, orange, purple, and red. A small white circle is at the center of the wheel. The text 'INTERKULTURELLE' is written in a magenta, hand-drawn font along the top curve of the eye, and 'WOCHEN' is written in the same font below the eye.
